

Long Term Water Supply Plan for Kangaroo Island

You are invited to attend one of the following information sessions to learn more about SA Water's review of the Long Term Water Supply Plan for Kangaroo Island.

These sessions are an opportunity for you to provide feedback on our draft plan and the preferred options we've identified with the community Reference Group.

The Reference Group is comprised of representatives from 18 community, business and industry associations. We've worked together through the first phase of the review to examine the current issues and opportunities, to understand what matters to the communities they represent and to evaluate options together.

Date	Location	Time
Tuesday, 8 May 2018	Stokes Bay (Rockpool Café)	2:00pm – 4:00pm
Wednesday, 9 May 2018	Kingscote Town Hall	11:00am – 3:00pm
